To Whom It May Concern,

C&J Equipment Manufacturing Corp. is a high quality packager that services customers in the petroleum industry. We have a strategic alliance with Global Package Solutions, Inc., and will continue to work with them to build engineered solutions based on their designs. C&J has worked with Global Package Solutions project engineers and sales team for over 10 years. In addition, our own internal engineering and design department will continue to support Global Package Solutions in all phases of work from pre-bid through project completion.

Sincerely,

A handwritten signature in blue ink, appearing to be 'C Thornton'.
